You may apply for a loan by telephone or online at lmfcu.org in less than 10 minutes. Loans are typically approved on the spot or within an hour.

You may sign your loan documents using any device including your smart phone with a secure e-signature. Our maximum loan is \$20,000.

APR = Annual Percentage Rate

Credit Union Difference

We make an extra effort to provide great service.

For example...

A member who typically doesn't overdraw their checking account has an overdraft - we call the member to verify the item is authorized and to provide an opportunity to deposit funds to cover the overdraft.

Beware: IRS Telephone Scams!

Con artists make unsolicited calls claiming to be IRS officials. They demand that the victim pay a bogus tax bill. These calls are nothing more than a bullying tactic! Remember that the IRS will never contact you by telephone to demand payment by prepaid debit cards, gift cards or wire transfers. The IRS will first mail a bill if you owe taxes.
