LOC is the Rediline Overdraft Loan
HELOC is the Home Equity Line of Credit

Helpful Navigation Tips

To navigate the system, remember the following items:

- Use the Pound key (#) to indicate the completion of an entry, except for password and menu number entries.
- To enter the member number 2435, press 2435#.
- To enter the password 7788, only press 7788. You do not need to press the # key.
- When you enter dollar amounts, enter both dollars and cents. The IVR system will automatically insert the decimal point before the last two digits. To enter \$100.00, press 10000#.
- You may "key ahead" any time during the telephone session by entering the next menu number without waiting for the voice prompt from the system.
- Press the Star key (*) once to back up to the previous menu.
- Press the 0 key at any time to speak to an operator.
- Press the 9 key at any time to hang up and end your call.
