Most car shoppers don't know exactly what they want when they start shopping. But many do have a general idea of how much they can afford to spend each month. If you're one of those shoppers, our Search by Payment form is the perfect place to start.

Simply use the slider to select your desired monthly payment, and we'll show you all of the available inventory at local dealerships that fits your budget. It's that easy!

A screenshot of the "Search by Payment" calculator interface. It features a slider at the top for selecting a monthly payment, with values ranging from 250 to \$4k. Below the slider are input fields for "Type" (set to "New"), "Price" (\$18,284), "Down" (empty), "Term" (60 months), and "Rate" (5.59%). A large result shows "\$349 per month". At the bottom is a button labeled "Find Inventory By Payment" with a magnifying glass icon.
