

New Mobile Banking Feature - Instant Balance

The new “Instant Balance” feature allows you to view your account balance without logging into mobile banking. You must “opt-in” to activate this service.

A “What’s New” feature has also been added to introduce you to new mobile app features.

NOTE: To manually update your mobile app, go to the app store or play store, check your pending updates for TouchBanking and update the app.

Reach Your Savings Goal With a Secondary Share Account!

Finding it difficult to save for a major expense, such as a down payment for a home or vehicle purchase, vacation, home improvements, school tuition, or another expense?

Open a secondary share account so that you can separate your savings for a special purpose. You may have a specific amount of your payroll deduction or direct deposit allocated to your secondary account.

We also offer special Holiday and Summer Club accounts that include withdrawal restrictions to keep your savings plan on course.

CU Difference

Credit unions are economic democracy. Each credit union member has equal ownership and one vote -- regardless of how much money a member has on deposit. At a credit union, every customer is both a member and an owner.
