EMV Chip Cards - Have a VISA Check Card?

Starting in April members ordering new cards and those whose cards are expiring will receive an EMV chip card. All existing swipe cards will eventually be replaced by the Spring of 2018.

VISA EMV chip cards are a major advancement in card security technology, with an embedded microchip that stores and generates the information required to authenticate, authorize and process transactions. EMV chip cards may be used anywhere in the world where VISA is accepted. Whether you use your EMV chip card by swiping or inserting in an EMV terminal, you still have \$0 liability for fraudulent transactions.

Quick And Easy Vehicle Loans!
